20 Years of Memories Around the Campfire

Thank you for joining us tonight for the GROW: Be the Spark! Dinner & Auction, presented by Niagara Cares and ECOS.

2025 marks Camp Korey's 20th anniversary, and our Board of Directors and staff are grateful for your commitment to providing free, accessible, medically-safe camp programs for children with life-altering medical conditions.

"Be the Spark" is more than a theme, it's a call to action. It reminds us that each of us has the power to ignite hope, fuel adventure, and spark lasting friendships for children and families who need it most.

As we celebrate the people and impact that make up Camp Korey's first 20 years, we eagerly look ahead to all that you will help make possible in the next 20 years and beyond.

AUCTIONEER

We are thrilled to welcome back Matt Lorch as this year's auctioneer! Matt has a passion for hosting fundraising events for many local nonprofit organizations. Matt has a son with developmental disabilities who spends a lot of time at Seattle Children's Hospital. For that reason, Matt has a personal connection and tremendous respect and admiration for Camp Korey and the families we serve.

EMCEE

An Emmy and Edward R. Murrow award-winning journalist, Monique Ming Laven co-anchors KIRO 7 News at 4 p.m., 5 p.m., 6 p.m., and 7 p.m., Monday through Friday. Monique joined KIRO 7 News in 2006 and has covered Western Washington's biggest stories, from the 2009 trial of Amanda Knox in Italy to the coronavirus pandemic. She recently launched the podcast series "Hit and Miss with Monique Ming Laven" about Seattle's success stories ... and all the mistakes they make.

THE SHEPPS FAMILY

The Shepps family moved to Washington from Philadelphia in 2022. Their youngest first heard about Camp Korey in the winter of that year through Seattle Children's, and they attended their first Family Weekend in the spring of 2023. Since then, Camp Korey has been an amazing place for Carter to feel safe, supported, and free to simply be a kid.

TEAM CAMP KOREY

Camp is a place of endless possibility; and our board and staff work hard to keep it that way! Meet the people who come together to make a difference in the lives of thousands of children and families living with life-altering medical conditions.

About Katherine and Walt Schlotfeldt

Katherine and Walt Schlotfeldt's interest in wine had been as collectors, but frequent trips to Napa Valley led to the decision to look for a home with a vineyard. As Alaskans, they have an adventurous spirit and a love for beautiful landscapes. Wine industry friends guided them to a special place perched on the eastern mountainside with a view of the valley and just over 11 acres of Cabernet Sauvignon grapes. They purchased the property in 2012, and for the past ten years, have redeveloped the existing vineyard and planted two new acres.

In a short period of time, they created an award-winning wine portfolio that includes Denali Estate Cabernet Sauvignon, Denali Estate Pinot Noir, Katherine's Cuvee Brut Champagne, and Katherine's Cuvee Rose Champagne.

Offer does not include airfare or ground transportation. Must be scheduled for mutually agreeable date. Certificate expires October 1, 2026.
